PIKE COUNTY COMMUNITY HEALTH PARTNERSHIP

Collaborate • Communicate • Connect

What is the Pike County Community Health Partnership (PCCHP)?

PCCHP is a group of organizations, agencies, and individuals working collaboratively to strengthen the health and wellness of Pike County residents by creating new programs and enhancing existing health services and programs.

What are the priorities of PCCHP?

- Coordinate and facilitate collaboration to address health and wellness disparities, promote efficient use of resources, and expand funding opportunities.
- Increase awareness, understanding, availability of and access to health and wellness programs and services for all residents of Pike County.
- Emphasize and encourage prevention, wellness, and healthy lifestyles to achieve optimal health.
- Facilitate ongoing review of county-wide health needs and identification of priorities and strategies to work towards improved health and wellness outcomes.

How is PCCHP governed?

- A Steering Committee provides governance and organizational oversight.
- Health and Wellness Foundation of Pike County (HWFPC), a 501(c)3 corporation, serves as fiscal sponsor, providing fiscal oversight and organizational guidance to PCCHP.

Who are the members of the Steering Committee?

- Health and Wellness Foundation of Pike County
- Illini Community Hospital
- Mental Health Centers of Western Illinois, Pike Site
- Pike County Health Department
- Two Rivers Resource Conservation & Development Area
- Two at-large members elected annually from the general membership

Who can join?

Any legally operating entity within Illinois (e.g. non-profit organization, for-profit corporation, governmental agency) or individual that is interested in working collaboratively with other entities to improve the health, wellness, and quality of life in Pike County and whose views align with the vision and mission of PCCHP may join.

How can you support PCCHP?

PCCHP relies on grant funding as well as corporate and individual donations to advance its mission. You can support PCCHP with a gift by cash or check to:

Pike County
Community Health Partnership
121 S. Madison
Pittsfield, IL 62363

If you would like more information about how you can participate in PCCHP initiatives, please call the PCCHP office at 217-285-4436.

All donations are tax deductible to the extent allowable by law.

How was PCCHP formed?

From 2004-2006, over 30 community leaders and health and human service agencies worked together on the Pike County Health Department's Illinois Project for Local Assessment of Need (IPLAN). The resulting collaboration was so beneficial that in 2006 the founding members, Health and Wellness Foundation of Pike County, Illini Community Hospital, Mental Health Centers of Western Illinois, Pike County Health Department, and University of Illinois Extension, Pike County began developing a formal structure for PCCHP.
